

# CLUB 80 SPONSORSHIP

---

## **CLUB80 SPONSORSHIP PACKAGE FOR 2010 SEASON**

As all our members would be aware, Club 80 has always donated all money raised to the Football Department of RFC. After liaisons with key members of the RFC early this year to determine what our great club needs within the Football Department to ensure our Coaching Team and Players can move with the times and compete with the more financial clubs, Club 80 has set for itself an ambitious fiscal target this year to contribute towards the RFC Football Department and ensure our new Coach, Damien Hardwick, has strong support in this modern age of football.

The money raised this year will contribute towards the purchase of new video analysis computer software program (Sportscode) so coaches can better communicate game plans and monitor game performance. This is software that ensures we remain competitive with clubs who have already moved to this (or similar) superior software to support their coaching staff.

In the past the R.F.C. coaches have relied on a statistical based computer program which only monitored the amount of possessions a player obtained during a game and very little else.

With the new software, coaches will be able to view all training sessions and games from angles not previously available with cameras available for R.F.C use at our training grounds, the M.C.G, Etihad Stadium and interstate grounds.

Combined with vision obtained through television coverage, Sportscode will enable coaches to better gauge the efficiency of ball use by each individual player and enable behind the ball monitoring of team rules and the game plan. The benefits to R.F.C will include more directed development of individual players with the objective of improved results to both the individual performance/development of our players AND the development of the team's game plan. (More information on the video analysis software can be obtained at the Sportscode website [www.sportstec.com](http://www.sportstec.com) )

To reach our target, Club80 has produced a sponsorship/ advertising package valued at \$500 each. Every participating individual or business will receive:

1. Advertising of your business on the Club80 website
2. Distribution of sponsorship promotional material to all current players, club officials and Club80 members.
3. An invitation to an exclusive end of season sponsor's cocktail party.

For more information please contact the Club80 president Rodney Banks on 0418 719 835.
